Creative Resources for Primary School Spaces

Adaptable and engaging solutions that can be tailored to meet your requirements.

## The Zones of Regulation Display

An emotion management tool to help your pupils feel understood.

We have created a child-friendly design for 4 to 11-year-old pupils using bright, engaging colours.

Most displays totally flexible in both size and materials to fit any environment, internal or external.

These boards are 150cm wide by 83.5cm high but can be scaled to a different size. They have a dry-wipe laminate that allows you to write on them repeatedly with dry-erase markers and easily wipe off the markings. This provides long-lasting functionality and a professional appearance.
